Photoshop: CMYK TIF files using LZW compression
Illustrator/InDesign: Press ready PDF (with bleed)
- Include screen/printer fonts (zip file) or convert to outlines
- Include all imported graphics or files
- Specify Solid to Process Pantone colors (using Solid to Process library)

Shipping/Production

Production Considerations

Due to the finishing requirements for Posters, production must be completed by an approved vendor. Please contact your CCO representative for a list and details.

We also recommend:

- 5% overage for large showing levels
- Verifying final sizes and specs with your CCO representative prior to the production of any artwork

Shipping Requirements

Clients who supply finished materials must ensure they are received 5 days prior to the contract installation date.

We also request:

- Materials be shipped in a box
- A label with a picture of the design is attached to the outside of the box
- A barcode (for internal tracking purposes) be provided by the vendor on all boxes delivered to CCO

Posters are 100% Recyclable
