## Shipping/Production

### Production Considerations

We strongly recommend:

- 5% overage for large showing levels
- Verifying final sizes and specs with your CCO representative prior to the production of any artwork

### Shipping Requirements

Clients who supply finished materials must ensure they are received 5 days prior to the contract installation date. We also request:

- Materials be shipped in a box
- A label with a picture of the design is attached to the outside of the box
- A barcode (for internal tracking purposes) be provided by the vendor on all boxes delivered to CCO
